RE: CONLOG (PTY) LTD: LETTER OF REFERENCE – MPOWERED

Conlog (Pty) Ltd and the South African based B-BBEE software solution company Mpowered have enjoyed a mutually good working relationship.

This relationship has resulted in Mpowered supplying B-BBEE toolkit software to the Conlog (Pty) Ltd.

In addition, Mpowered has supplied, installed and commissioned B-BBEE software toolkit to all Conlog B-BBEE users. The installed system software is supported by comprehensive training programmes and the system operation by Mpowered personnel.

The commitment showed by Mpowered to accommodate the requirements of Conlog (Pty) Ltd in service delivery has played a major part regarding development within Conlog (Pty) Ltd.

The Conlog (Pty) Ltd would not hesitate to recommend Mpowered as a supplier and partners to any client wishing to embark on a B-BBEE software system.

Please do not hesitate to contact the undersigned should your office require more information.

Yours sincerely
